★ I am a junior at the University of Nevada, Reno. I am a marketing and management major, and I hope to go into either social media marketing or advertising when I graduate.

★ The only experience I have in computer and software is from school projects. I know how to use Word, Excel, PowerPoint, etc.. I took your IS 101 class

★ I am originally from Las Vegas, Nevada. I chose to go to UNR because my brother went here a year before me and I thought the campus was amazing.

★ One of my favorite artists is Tate Mcrae. I find myself relating to a lot of her music and it has gotten me through some rough times. I also enjoy listening to country music.

★ One of the biggest things in my life is my cat. She means the absolute world to me and she has also helped me through a lot of rough times.

★ I don't think I could pick a favorite movie, but, I really like romantic comedies. Good examples are 10 things I hate about you, She's the man, Anyone but You, etc..
